September 2011 Meeting

The September meeting was held at the Waynesburg Bible Chapel. We welcomed the news officers who will assume their duties at the October meeting. Listed above, they are President—Kathy Douglas, Vice President—Alan Butcher, Secretary—Jackie Weaver, and Treasurer—Dave Brendel. We are all excited to see the "new blood" lead our club forward.

The September club competition was *Fairs & Festivals*. As always, there were fine photos for which to vote. Winners were: 3rd Place—*Demo Parking*, and 2nd Place—*Demo Derby Night*, both aerial photos of the Greene County Fair by Janice Morris, and 1st Place was *Home Grown*, the photo by Cheryl Brendel of a group entry display at the Greene County Fair. Great pix, ladies!

Those who attended the September meeting were treated to an outstanding program/slide show by Janice Morris of the mission trip on which she participated this fall. Janice always comes through to show super programs, especially from events like the Guatemala Mission trip when she was volunteering to help others.

Lastly, at the September meeting the club finished planning the club picnic which will be noted in another part of this newsletter.

Upcoming Meetings

As a brief plan for tentative meetings, these are future presentations and club competitions:

	Presentation	Competition
Oct:	Members' How to disks	Self Portrait
Nov:	Ed Pierce Video	Night
Dec	Christmas party	Photo of Year

GCPC Picnic

Wow, they never let us down—the Weavers they are! Jackie and Lee hosted another fun GCPC Picnic at their farm. Whether hauling "photogs" up and down the hills of his farm in his ATV, or tending dinner goodies in his fire pit, Lee is the host extraordinaire, and Jackie is the "hostess with the moistest." Thanks to both from all who attended the picnic.

The October GCPC Meeting Meeting

The Greene County Photography Club will meet on October 25th at the Waynesburg Bible Chapel. The club competition will be a "Self Portrait". Remember to bring up to 3-4x6 photos for the competition. The program for the meeting is scheduled to be either a training session on *PhotoShop Elements* or videos GCPC members have and use as "how to" disks. **If you have any such disks, please bring them.** (Bring them especially so that Kathy gets off on a good start as our new president.) Either way, *Elements* or members' disks, this promises to be a great training and sharing session for techniques that we all can or do use for improvement of our photo skills.

Library GCPC Show A Success

If you have not visited Bowlby Library this month, you need to do so before the end of October. Our members were invited to submit photos to the Library for a GCPC exhibition. The exhibit of "your" photos is superb, and the display will certainly attract interest and new members for the GCPC. While you're there, make sure you vote for your favorite pix. This is a "People's Choice" competition with the winners receiving financial honoraria. If you did not enter, you have missed the opportunity to garner one of those prizes.
