August 2011 Meeting

The August meeting was held at the Waynesburg Bible Chapel. Most excitingly to this writer, new officers were elected for our club. Taking office at the conclusion of the September meeting will be: Kathy Douglas--President, Alan Butcher--Vice President, Jackie Weaver--Secretary and Dave Brendel--Treasurer. Beverly Yoskovich will continue as Public Relations Liaison, Jerry Hardy will continue with the newsletter, and Ruth Thornberg will continue with our website.

The By-Laws were officially adopted with a motion by Cathy Butcher, a second by Beverly Yoskovich and an affirmative vote by the club members in attendance.

Janice presented a very informative program on *Portraits and Lighting*. If you were at the meeting, Janice expects to see you use her ideas for your *Self Portrait* at the September meeting. Just kidding!

The club competition was "*Macro*" and had a number of entries. Proudly, Cathy Butcher swept with all three places. Her close-ups of nails, a bolt, and a flower seeding were really impressive.

Upcoming Meetings

As a brief plan for tentative meetings , these are future presentations and club competitions:

Presentation	Competition
Sept: Scenes from Guatemala	Fairs & Fests
Oct: Club picnic at Weavers	Self Portrait
Nov:	Night
Dec	Photo of Year

GCPC Picnic

Jackie and Lee Weaver will host the GCPC Picnic at their home on Saturday October 8th at 4 pm. If you've attended any other get togethers at the Weavers before, you know that Lee will work his magic with a bean pot over his fire pit and club members are asked to bring great covered dishes. Make sure you plan to attend.

From Jerry--Please Note

Having been out of town and missing the September meeting, I may have made errors in this newsletter. If anything is seriously wrong, point it out before the October newsletter, and I'll try to correct it.

The Sept GCPC Meeting Meeting

Greene County Photography Club will have its September meeting at the Waynesburg Bible Chapel at 7 pm on Tuesday September 27th. Our presentation will be *Guatemala* by Janice Morris. Janice will share her pictures from her recent mission trip to that country. You will not want to miss those. The club competition will be *Self Portrait* so take some great photos of yourself and plan to win. Remember, everybody bring up to three photos (4x6 or smaller) for your entries into the monthly club competition.

Do not miss the picnic announcement below left.
